RE: Request for Prosecutorial Investigation

Dear Mayor Bloomberg:

Enclosed, please find a cover letter with supporting "documentation" to Chancellor Joel I. Klein, concerning a very serious issue that has transpired at The New York City Museum School at the hands of Principal Lindley Uehling and others. The two cover letters and then supporting "documentation" referred to in the initial complaint addressed to Executive Director of the Division of Human Resources, Office of Appeals & Review, Virginia Caputo, Director and subsequent letter to Chancellor Klein should be self-explanatory up-front, and clearly understandable with "documentation" referenced.

The egregious acts which I personally feel are clearly brought out in the information herein submitted should be investigated. I take great pride in my ability and work for eleven years as a teacher, tenured and part of the Board of Education and The Department of Education of the City New York.

And, as requested of Chancellor Klein, I would appreciate some form of proper placement, if at least interim, provided for the upcoming school year. Thank you very much in advance for your consideration.

Yours truly,

Theodore D. Smith

cc: Joel I. Klein, Chancellor
The Department of Education

RE: Request for Prosecutorial Investigation

Dear Mayor Bloomberg:

In regard to a letter I wrote to you on July 21, 2005, Express Mail ED 940051107 US, inadvertently omitted letters as explained in my letter to Chancellor Klein which I have attached.

Please attach the enclosed documents to the July 21, 2005 letter.

Thank you.

Yours truly,

Theodore D. Smith

New York, NY 10007

Dear Mayor Bloomberg:

The enclosed letter to Monica Davis, Deputy Director for the Chancellor's Strategic Response Group is self-explanatory.

I really do not believe that you, as the Mayor of the City of New York, would condone possible criminal behavior, as explained in the letters to you on July 21, 2005 and July 26, 2005; the severe violation of due process; and most important the severe safety issues regarding the students at The New York City Museum School., caused by the fact that the administration is not in compliance with the City and State regulations and has been notified on many occasions.

The correct venue for my complaint, I believe is with the top administration, and ask again for my request for a "Prosecutorial Investigation".

Thank you,

Sincerely,

Theodore D. Smith
