Subject: Final Grade of 60
Attachments:

If a student received a final grade of 60 in January, 2010 and then passes the course now with a grade of 65 or higher, the student receives credit for the fall term. Please adjust transcript by completing a SARK form.

Please note that the Grading Policy committee approved that it is no longer necessary to earn a 70 in order to have the final grade of 60 reversed.

See me if you have any questions. Thanks.
