I have read the complaint in the matter of Teachers4Action on behalf of its members vs. Michael G. Bloomberg, Joel Klein and the New York City Department of Education, docket number 08 CV 0548 in the US District Court, Southern District of New York. I agree with its contents and the factual allegations.

Prior to my consent to participation in this action, I have had the opportunity to meet with Ed Fagan to discuss all aspects of this case and his representation of my interests, or I have thoroughly discussed these matters with other members of my group who have met and worked with Ed Fagan. I have also had an opportunity to inquire of Mr. Fagan's background. He has been open and forthcoming in informing me personally, or other members of my group who have reported such to me in detail, about his personal and professional background. He has informed me personally, or other members of my group who have reported such to me in detail, about the pending ethics matters and other matters where he is accused of improprieties.

I want Mr. Fagan to represent my interests and will support his efforts in our action and will provide any reasonable declarations in this regard (i) to help prosecute my claims and (ii) should there be any question about why I retained Mr. Fagan, why I believe he took our case and what my personal beliefs are about him.
