embarrassing, humiliating, retaliatory acts in the presence of

Assistant Principal - Currently Principal as of August 2009 for the 2009-2010 School year, and Ms. Nereida Urban. All 3 parties were aggressively engaged in the aforementioned unlawful discriminatory acts against me due to my age and the fact that I reconsidered not to retire at the end of the 2004-2005 school year. Ms. Urban, Payroll Secretary did not receive a formal letter from The Teachers Retirement Board notifying her that I was officially retired. Therefore, Ms. Urban knew that I was not retiring, but continued harassing me by asking me when I was retiring in August 2005, and in September 2008, said she was retiring. Then said to me, "Why don't you just retire."

In violation of the agreement between the Board of Education of NYC and the UFT, in June 2007 Mr. Katz proved his inability to execute his professional duties with honesty and fairness when he hand picked, Ms. L. Rinaldi, for the

newly implemented Pre-kindergarten teaching position, prior to posting the position. Mr. Katz and Ms. Cunningham acted in concert by having falsely made up claim that I refused to attend a Professional Conference with Ms. Cunningham. The Conference was postponed. This harassing act was perpetrated against me to cover up the unprofessional horrific harassment of me by Mr. Katz on April 7, 2008. At 7 AM, Mr. Katz, Ms. Cunningham, and Ms. Ruth Bowman, UFT representative planned to meet with me without my knowledge or consent. Mr. Katz immediately began shouting false accusations into my face. I thought he was going to physically attack me. Ms. Bowman asked Mr. Katz to stop, but he continued until he and Ms. Cunningham left my classroom, before they left, Ms. Bowman informed Mr. Katz that he was engaged in harassment.

During the 2006-2007 school year, Mr. Katz falsely claimed that the Custodian came to my classroom when I complained about the frigid room temperature. The Custodian nor any staff members came to my

classroom to test and determine the room temperature. Many times the room was so cold that wearing a winter coat, hat, scarf, and gloves would not keep the children and me from being miserably cold. Therefore, on many occasions I was forced to teach my class in the hallway.

The lesson plan scenario was just another opportunity for Mr. Katz and Ms. Cunningham to harass me, because of my age and they wanted me to retire. Prior to having received the disciplinary letter from Mr. Katz about lesson plans, I did not receive any directive from any supervisor stating that I was to adhere to a specific form for my lesson plans. The UFT advised me in a letter dated February 12, 2010, that my case is on going. I have acted in accordance with the provisions outlined in the bargaining agreement between the NYC Department of Education and the UFT. The lesson plan portion of the Article that deals with extended writing of lesson plans does not apply to me, because I did not receive a U Rating at the end of the 2007-2008 school year,

due to ineffective instructional Professional performance. Also, I received a Satisfactory rating for my formal lesson observation.

During the 2008-2009 school year I was forced to teach in a hostile classroom environment due to the following: I was placed in a classroom with 24 Kindergarten children. Without bathroom accommodation. I was required by Ms. Cunningham to monitor the boys and girls as they went from my Classroom 113 to use the bathroom, and at the same time monitor the children in the classroom while they were working on assignments. Many days I had to monitor as many as 14 children in the AM and the same in the PM. The sink in the classroom did not work and could not be used to discard milk that was left over from their snack. Therefore, I had to pour the left over milk from the snack into a pan, which was left in the pan until the next morning, because the boys bathroom was the only place where the left over milk could be discarded. The entrance classroom door to Room 113 would not close without a struggle until January 2009. In this room-113 there

Was insufficient space for displaying children's completed work

On September 9, 2008, Ms. Cunningham switched a well behaved child, Myesha to class and for a severely behavior problem child into my class named Sarah, the same day, 9-09-08. Sarah did no work but would spit, kick and punch children all day. He even made attempts to attack me. Sarah's mother begged that her child be placed in another class when she enrolled him in the school, because his mother knew a child who was already in my class lived in the same housing complex as they did, had a severe behavior problem - Jaidyn who also would spit on the children, and would spin around in the classroom all day. When both children went outside of the classroom to use the lavatory, they would stay for hours at a time. Many times I had to track them down before lunch dismissal and the end of the day dismissal. I lost as much as 15 to 20 minutes many days of my own lunch period. The times when I tried contacting Ms. Cunningham to report the horrible incidents she had a voice message operating, but would never return my calls. She said she

only listens to her messages at the end of the school day. On December 16, 2008, a meeting was held between Sarah's mother, Mr. Katz, Ms. Cunningham, Ms. Elias, Social Worker, Ms. Bowman, VFT representative, and myself. At this meeting, again Sarah's mother asked if he could be transferred to another class due to the fact that her son Sarah and Jaidyn do not function well when they are together. Mr. Katz and Ms. Cunningham answer was NO. However, on 9-09-08 Ms. Cunningham transferred Mysha from my class to K-230 in exchange for Sarah. That clearly is double standard practice. It also proves that Mr. Katz and Ms. Cunningham were, and she still is on a mission to make life miserable for me due to my age and they want me to retire, along with Ms. N. Urban.

Ms. Denise Bunas, Assistant Principal is not acting in concert with Ms. Cunningham to harass me, due to my age, and on going harassment. Also, the fact that they want me to retire. A letter of harassment was received from both Ms. Bunas and Ms. Cunningham, dates: November 5, 2009 and November 18, 2009. November 23, 2009 Ms. Bunas. The counselling letters received from the two, Ms. Bunas did not know the definition of counselling letter, when asked.

Ms. Banas' also systematically excluded participation of my class from the Ribbon Cutting ceremony for the newly erected playground on November 23, 2009. All other classes had an opportunity to participate in this affair. Ms. Cunningham was involved in the same kind of discriminatory act against my kindergarten class and me when she systematically excluded my message to my kindergarten children from the program held on June 24, 2009 for their moving up ceremony. I did not receive a written nor verbal apology from Ms. Cunningham

When my credible evidence is presented in court I fervently believe that the defendant will be cited as being in violation of the Age Discrimination Employment Act (ADEA)

THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s))

I have been working for the NYC Department of Education since 1978. I am a teacher. I am 78 years old. I have performed my job satisfactorily for many years. However, I have been the victim of unlawful discrimination on account of my age by Harvey Katz, Principal and Paula Cunningham, Assistant Principal. I am also being retaliated by both for complaining of unfair treatment. In June 2008, the Pre-Kindergarten Program was taken away from me, and was given to a younger person who had no previous experience on the other hand I had 10 years of successful experience. On June 26, 2008, I was given a U-rating which was at the end of the school year. The Principal claimed that I refused to attend a Professional Conference, but that is false, the meeting was postponed until my UFT Representative could attend. I have been harassed and subjected to a hostile work environment to get me to quit or retire from my job. In September 2008, both Katz and Cunningham tried forcing me to teach in a class room that has problems with adjusting the heating system, the room was so cold that wearing a coat, hat, scarf and gloves will not make the room warm enough. Many times I had to take my class to the hallway to teach there because it was warmer. On May 7, 2008, I sent a letter to Jeannette Reed, Superintendent complaining about the harassment and hostile work environment. I did not receive a response from her. Because the harassment and hostile work environment has become severe and not tolerable on February 24, 2009, I wrote another letter to Ms. Reed. Ms. Reed again ignored my complaint. (See Letter).

I want this charge filed with both the EEOC and the State or local Agency, if any. I will advise the agencies if I change my address or phone number and I will cooperate fully with them in the processing of my charge in accordance with their procedures. THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s)):

I am the victim of employment discrimination because of my age and retaliated against for opposing and objecting to Mr. Katz and Mrs. Cunningham's harassment and hostile work environment. I have been given U... ratings by Ms. Cunningham when she visits my classroom. She is constantly visiting my classroom to criticize my work.

Another person who has been harassing me is Mrs. Nel Urban, Payroll Secretary. Mrs. Urban continues to ask me "When are you retiring?" Mrs. Urban has called me at home and had stated; "they want to know if you are retiring." In September 2008, Mrs. Urban approached me and told me that she was planning to retire, and said to me, "why don't you just retire?"

On March 6, 2009, I received a letter from Mr. Katz, asking to meet with me in his office to discuss my absence of lesson plans. In his letter he stated that the meeting may lead to disciplinary action. On March 10, 2009, I received another letter from Mr. Katz about our March 6 meeting indicating that he met with me, Mrs. Cunningham and my union representative Mrs. Bowman. Mr. Katz stated that I said "I have been teaching for almost thirty years, I know what I am going to teach for the day." "It is all in my head." That was not what I said. I told Mr. Katz that I forgot the lesson plans and that i do my lesson plans everyday. I just forgot the lesson plan, but I do remember what needed to be done for that day. Mr. Katz told me that my failure to provide lesson plans, coupled with an unsatisfactory rating for the 2007-2008 school year. Mr. Katz also recommended that I meet with Mrs. Cunningham to further assist me. I am now being closely monitored by Mrs. Cunningham and I am required to submit all my lesson plans to her each Monday for her review and recommendation. This is another form of retaliation for complaining to Ms. Reed.

I have filed a Step 1 Grievance with my union to resolve the lesson plans issue. I want the letter and the disciplinary action to be removed from my file. I am very efficient and I perform my work well. My students are performing on grade level and above.

I believe that I am being discriminated against because of my age in violation of the Age Discrimination in Employment Act of 1967, as amended.
